

Zula Exploration Mission Modules Alignment with 2009 NAEP Science Content Topics

Legend

SM = Simple Machines Exploration Mission Module

IF = Invisible Forces Exploration Mission Module

MSCR = Mixtures, Solutions, and Chemical Reactions
Exploration Mission Module

LF = Landforms: Mountains, Volcanoes, and Plate Tectonics
Exploration Mission Module

FR = Force Exploration Mission Module

SO = Sound Exploration Mission Module

HB = Habitats Exploration Mission Module

EC = Elements and Compounds Exploration Mission Module

MA = Matter Exploration Mission Module

OS = Objects in the Sky Exploration Mission Module

LT = Light Exploration Mission Module

AW = Air & Wind Exploration Mission Module

H2O = Water Exploration Mission Module

EWC = Earth's Water Cycle Exploration Mission Module

PALC = Plants, Animals, and Life Cycles Mission Module

AA = Animal Adaptations Exploration Mission Module

WE = Weather Exploration Mission Module

ML = Microscopic Life Exploration Mission Module

RS = Rocks and Soil Mission Module

ES = Ecosystems: Flowers, Bees, Beetles, and Earthworms
Exploration Mission Module

2009 NAEP Science Content Topics	Zula Exploration Mission Modules
Matter	MA, MSCR, EC
Energy	LT, SO
Motion	FR, SM, IF
Structures and Functions of Living Systems	PALC, HB, ML, ES, AA
Changes in Living Systems	PALC, AA
Earth in Space and Time	OS
Earth Structures	LF, EC
Earth Systems	WE, H2O, EWC, AW

**Zula's Curriculum Addresses All NAEP Science Content Topics
and Prepares Children for the Future!**
